

FOR IMMEDIATE RELEASE

Blast off into a parody far, far away with STAR WARS: MAY THE FARCE BE WITH YOU. It's a galaxy full of laughs for the whole family!

Written by Todd Michael Thompson and Bronson Todd, we follow the evil Empress Pimpleteen who threatens to take over the galaxy. It's up to a dazzling Princess Playa and an unsuspecting farm boy to save the cosmos! Will they thwart the Empresses devious plan in time, or will the galaxy be lost to tyranny forever? May the farce be with you!

"Star Wars" runs January 9th through March 29, 2025. The evening also includes one of Desert Star's hilarious olios, following the show. "The British Are Coming" olio will bring you all the best hits from across the pond, mixed with our signature Desert Star comedy.

Food is available from an á la carte menu and is served right at your table. There is also a full service bar (minus Mondays and matinees). The menu includes gourmet pizza, burgers, fresh salads, and scrumptious desserts.
